

This brochure contains addresses and pictures of the 14 hostels that are open during the season of 2018. The hostels are overnight accommodations for hikers, pilgrims and cyclists, and they are situated along the Hærvejen between Viborg and Hirtshals/Frederikshavn. You can find the locations and more information about the hostels on pilgrimhostels.org and haervej.dk.

Share your experiences on [facebook.com/haervejsherberger](https://www.facebook.com/haervejsherberger) and watch the video with English subtitles on the YouTube-profile 'Herberger langs Hærvejen'. We particularly recommend walking along the coast between Hune and Lønstrup by the North Sea Trail.

The architect Andreas Blinkenberg and the pilgrim pastor Elisabeth Lidell got the idea of establishing the hostels along the Hærvejen when walking on the old pilgrims' route 'El Camino' in Spain. The project of establishing the hostels is supported by Fonden Realdania and Friluftsrådet. The Association of Hostels along Hærvejen consists of representatives from Dansk Vandrelaug, Danish Cyclists' Federation, Dansk Islandshesteforening, nordiske pilgrimspræster and Foreningen af Danske Santiagopilgrimme.
